STRONGER TOGETHER

REPORT TO THE COMMUNITY | 2024-25

Dear Neighbor:

As we share this year's update with the community, we are deeply moved by the generosity, dedication, and steadfast support shown to Neighbor to Neighbor. As we mark our 50th year of service, the importance of our work has never been clearer. Many local families continue to face significant challenges in meeting their basic needs, and our role in providing healthy food, and essential household items remains vital.

Since our founding in 1975, our mission has remained constant: to stand beside our neighbors in times of need. This annual report highlights the scope of our efforts and the measurable difference we make. Behind every data point lies a story — 931 households who receive support and nourishment through our programs. The demand continues to rise, reflected in a 13% increase in families seeking assistance over the past year, underscoring the urgency of our work.

We extend heartfelt appreciation to everyone who makes this possible — our donors, volunteers, community partners, staff, and Board of Directors. Together, we embody the spirit of compassion and collective responsibility that strengthens Greenwich. Indeed, we are stronger working together.

Last year, we began a new chapter through a strategic planning initiative that reaffirms our dedication to both our clients and our community. With its implementation, we look ahead with optimism and renewed purpose.

With heartfelt thanks,

K. Brent Hill

Honoring 50 Years of to Neighbor Neighbor

Neighbor to Neighbor is proud to honor 50 years of serving the Greenwich community. Since 1975, we've been dedicated to helping local families by providing food, clothing, personal care items and household essentials with kindness and respect.

It all began when a group of caring neighbors started collecting clothes for those in need. Soon after, we expanded to offer food — and today, our pantry continues to support Greenwich residents with nutritious food and vital resources.

We acknowledged this milestone on Thursday, April 24th at the Hyatt Regency Greenwich with over 240 guests. The event brought together longtime supporters, past and present Board members, sponsors and staff to reflect on five decades of meaningful impact. We were pleased to recognize Lori and Allen Jackson as the Honorary Chairs.

A moving video shared testimonials from clients — in both English and Spanish — highlighting how Neighbor to Neighbor has made a difference in their lives. Another video featured affirming words from our two sitting United States Senators, a Congressman, and other elected officials.

The evening featured a keynote by the renowned award winning Chef Marcus Samuelsson. He shared his inspiring story and spoke about the importance of giving back, echoing Neighbor to Neighbor's mission.

Good Neighbor Award presented to Jen Donnalley, Director of Center for Public Good at Greenwich Country Day School, for all her efforts on behalf of our mission.

Our Programs

Despite ongoing economic challenges, Neighbor to Neighbor remains committed to providing fresh, healthy food. We experienced consistently high demand across all our programs, with a noticeable rise in first-time visitors. Meeting this continued level of need depends on a reliable flow of food into our pantry — sourced through in-kind donations, retail rescue efforts, supplemental purchases, and generous community support.

Neighbor to Neighbor Earned a Green Thumb in 2025!

In 2025, Neighbor to Neighbor teamed up with Greenwich Community Gardens to create the Parsonage Road Neighbor to Neighbor Garden. This partnership helps provide our clients with healthier food by growing fresh, organic vegetables like lettuce, tomatoes, cucumbers, string beans, and peppers. Located on the Nathaniel Witherell campus, the garden includes 30 plots and has already donated about 300 lbs of produce to Neighbor to Neighbor! All summer long, volunteers helped with watering, weeding, planting, and more, for which we are deeply grateful.

Neighbor to Neighbor also receives fresh produce from other gardens, including Bible Street and Armstrong Court that are managed by Greenwich Community Gardens.

In another exciting partnership, Neighbor to Neighbor joined with the historic Israel Putnam House Association (IPHA) to launch a Colonial Garden. We're proud to work together to bring more nutritious food to local families.

A huge THANK YOU to all the community gardens that supported us this season—Greenwich Audubon, Greenwich Land Trust, and Harvest Time Church!

Jane Fleming Legacy Society

Join Neighbor to Neighbor's Jane Fleming Legacy Society with a gift left in your will or estate plans. Every legacy gift, regardless of the amount is valued.

The Jane Fleming Legacy Society was founded in 2018 to recognize donors who have named Neighbor to Neighbor as a beneficiary in their estate plans. As a founder and initial leader of Neighbor to Neighbor, Jane Fleming's vision is to support the most vulnerable among us and make our community better for all, remains our core value.

When you support Neighbor to Neighbor with a legacy gift made through your will, you secure basic living essentials for future generations. To learn more please visit: ntngreenwich.org/ways-to-donate or call #203-622-9208

As the end of the year is quickly approaching and many of us are planning our holiday and year-end charitable giving, we wanted to let you know that there are lots of ways you can support a neighbor in need beyond sending payment by credit card or check.

OPTIONS INCLUDE:

Contribution from an IRA Account:

If you are 70½ years or older, you may contribute directly from a qualified IRA account and reduce your taxable income.
