Neighbor to Neighbor

COMMUNITY IN ACTION

REPORT TO THE COMMUNITY | **2025-26**

Dear Neighbor:

For over 50 years, Neighbor to Neighbor has been a place where Greenwich residents can turn when putting food on the table or meeting other basic needs becomes challenging. Much has changed since our founding in 1975, but two things have remained constant: the generosity of the Greenwich community and its commitment to caring for its neighbors.

Today, the cost of food, housing, utilities, transportation, and other household essentials continues to put significant pressure on many households including our clients. At Neighbor to Neighbor, we see the impact of these challenges every day in the record number of households we have been serving, a 14% increase from last year. As of this writing, more than 900 Greenwich households, primarily working families and individuals, seniors living on fixed incomes and households facing unexpected financial expenses, turn to us for nutritious food, personal care items, clothing, and household essentials.

As Greenwich's only food pantry, Neighbor to Neighbor is committed to ensuring that every person who we encounter is treated with dignity and respect. Thanks to the extraordinary generosity of our donors, volunteers, community partners, and supporters, despite the record demand, we are able to provide a people-first, welcoming experience where our neighbors can select what they need for themselves or their families.

Your contribution helps Neighbor to Neighbor remain a reliable resource for our neighbors when they need us most. This report highlights the impact of all of our support and offers a window into our mission in action.

Thank you for believing in Neighbor to Neighbor and for being an essential part of our capacity to provide access to nutrition and hygiene essentials to the community. We can't do it without you, and we are very thankful.

Adam Leader
Board President

K. Brent Hill
Executive Director

to Neighbor to Neighbor

The Annual Spring Luncheon

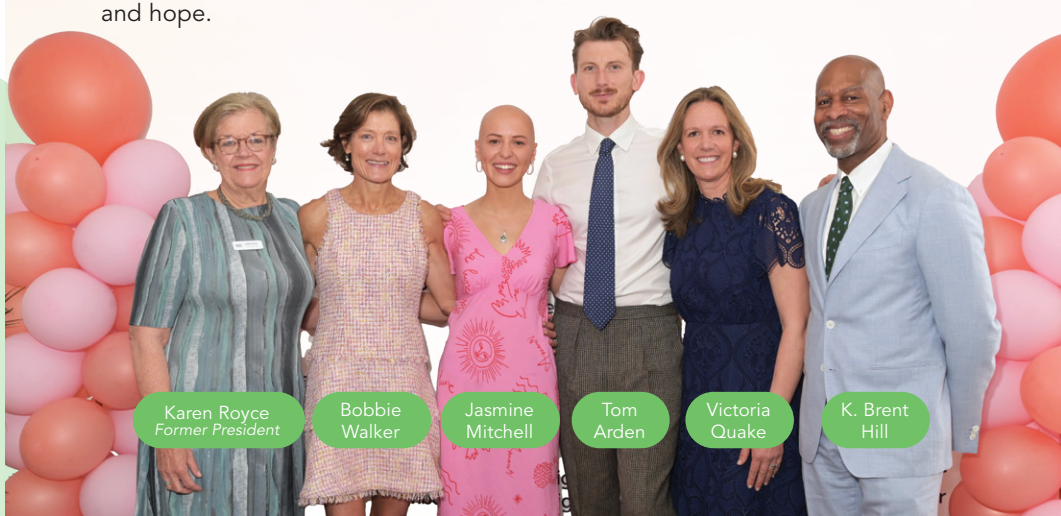

On April 16, 2026, Neighbor to Neighbor welcomed 325 guests to the Greenwich Country Club for our Annual Spring Luncheon, co-chaired by Victoria Quake and Bobbie Walker. This year's event celebrated the connections food creates within our community and explored how a shared meal can bring people together—themes at the heart of our mission.

Guests were treated to a conversation with Jasmine Mitchell and Tom Arden, Winner and Finalist of The Great British Baking Show Season 16, who traveled from London to join us. Their reflections on baking as an act of care and connection resonated deeply with our work, and they brought warmth, humor, and hard-won wisdom about perseverance to the afternoon's program.

Just as food brings people together around a table, our mission is about building community, fostering belonging, and ensuring that every neighbor feels seen, supported, and valued.

The event also spotlighted local talent, with bakers Daina Olesen, Olivia Vinning, and Raphaël Dequeker presenting original tarts to Mitchell and Arden, who applauded their creativity, technique, and flavor.

Beyond celebrating culinary artistry, the Spring Luncheon reminded us that nourishment is never just about the plate—it's about belonging, connection, and hope.

Your support made a great impact on the lives of so many this year.

With your meaningful generosity, Neighbor to Neighbor has been able to provide the following food and essentials.*

Food for Over
714,186
Meals, Including Fresh Vegetables and Fruits

1,547
New Towels, Sheets and Blankets Distributed

596
Winter Coats Were Provided to Children

Over
5,500
Household Deliveries

886
Students Received Backpacks Filled With School Supplies and Water Bottles
(Partnering with several other local non-profits)

3,896
Articles of Children's Clothing Were Distributed

1,008
Families Served

NtN Gardens Harvested Over
806 lbs
Of Vegetables

2,496
Individuals Served

* Based on financial period of July 1, 2025 – June 30, 2026

Services

Neighbor to Neighbor remains steadfast in its commitment to providing nutritious food, personal care and household essentials, and clothing to individuals and families in need within our community. Demand for our services continues to grow, with a 14% increase in new registered households last year, alongside the rising needs of our existing clients. Meeting this growing demand requires a steady and reliable supply of food and essential items for our pantry. Through the continued generosity of our community, including in-kind donations and monetary contributions to fund supplemental purchases, we are able to meet these needs and provide vital support to our neighbors.

FOOD ASSISTANCE

Supplemental Food Program: Greenwich residents who meet income guidelines may receive three days' worth of food for three meals a day for each family member every week. Neighbor to Neighbor also offers a home delivery service for those who meet requirements.

Summer Supplement Program: Families with school-age children receive additional groceries each week, providing breakfast and lunch during the summer break.

Emergency Food Program: One-time emergency food is available to anyone in immediate need. We refer these individuals and families to the appropriate support resources.

Holiday Food Programs: All families are supported at Thanksgiving and Christmas with traditional foods of turkeys and chickens, stuffing, and pies. Households also receive gift cards for local supermarkets to assist them when NtN operations are closed over the holidays.

CLOTHING & ESSENTIALS ASSISTANCE

Clothing & Essentials Room: Once per month, clients can shop for personal care products, household cleaning items, feminine hygiene products, and clothing along with new lines of sheets, towels, and blankets each year. We run clothing donation drives periodically that provide new and gently used adult and children's clothing.

School Backpack Program: We distributed new backpacks to our clients' school-age children that were filled with school supplies for the new school year. We also partnered with other social service agencies in town to provide these backpacks to the students they serve.

Winter Coat Program: We provided cozy, hooded winter coats to children across our community for the winter season.

Financials

**Financials are preliminary and cover the fiscal period July 1, 2025 – June 30, 2026.*

THANK YOU TO OUR Volunteers!

Volunteers are the heart of what we do. Their dedication reflects the care and generosity of our community. More than just extra hands, our volunteers are essential to our success. They collect and sort donations, stock the pantry, tend our community gardens, support our events, and assist clients with check-out, creating a welcoming environment for everyone who walks through our doors. Put simply: they make our mission possible!

Community in ACTION

Addressing food insecurity is a complex and ongoing challenge—one that can only be met through collaboration, innovation, and the collective support of our community.

We are deeply grateful to our many community partners who generously and graciously contributed their time, skills, and financial support to our mission. Their diverse expertise, passion, and commitment made a powerful difference.

Youth Community Engagement

Internship Program

Neighbor to Neighbor was proud to launch its Summer Internship Program, made possible through a generous grant. Eight local high school students participated in the program, gaining hands-on experience in nonprofit operations, community service, and professional development over the course of more than two months.

Two days each week, interns worked in the pantry and community gardens, while a third day was devoted to professional development workshops. In partnership with local leaders and organizations, the program offered seminars on nonprofit leadership, entrepreneurship, financial literacy, health and nutrition, and career skills.

Student Volunteers

Neighbor to Neighbor is pleased to have student volunteers in the pantry during after-school hours and on Saturdays, earning community service hours. They are trained and managed by Neighbor to Neighbor's Student Volunteer Coordinator on the operations of the pantry, including stocking the shelves, assisting with client checkout, processing donations, and more.

Rooted In Community

Neighbor to Neighbor's Gardens Thrive in Their Second Year

Our gardens on Parsonage Road and at Putnam Cottage flourished this year, surpassing last year's bounty. We harvested over 806 pounds of fresh produce including tomatoes, eggplant, peppers, lettuce, squash, berries and fresh herbs, all of which were provided directly to our clients. All summer long, volunteers helped with watering, weeding, planting and more, for which we are very grateful.

Neighbor to Neighbor also receives fresh produce from other gardens, including Bible Street and Armstrong Court, that are managed by Greenwich Community Gardens.

A big thank you to the Fish Church Grant program for helping us initiate the gardening program last year, and to all the community gardens and gardeners that supported us this season—especially the Greenwich Land Trust, Parkway School, Greenwich Catholic School, Greenwich Country Day, Greenwich Audubon, Hortulus, and Harvest Time Church!

Neighbor to Neighbor

Jane Fleming Legacy Society

Join Neighbor to Neighbor's Jane Fleming Legacy Society with a gift left in your will or estate plans. Every legacy gift, regardless of the amount, is valued.

The Jane Fleming Legacy Society was founded in 2018 to recognize donors who have named Neighbor to Neighbor as a beneficiary in their estate plans. As a founder and initial leader of Neighbor to Neighbor, Jane Fleming's vision is to support the most vulnerable among us and make our community better for all, remains our core value.

When you support Neighbor to Neighbor with a legacy gift made through your will, you secure basic living essentials for future generations. To learn more, please visit: ntngreenwich.org/ways-to-donate or call 203-622-9208

To learn more please visit:
ntngreenwich.org/ways-to-donate

As the end of the year approaches and many of us plan our holiday and year-end charitable giving, we wanted to let you know there are many ways to support a neighbor in need beyond sending payment by credit card or check.

OPTIONS INCLUDE

Donor-Advised Fund
If you have a donor-advised fund (DAF), it's simple to initiate a grant request. It's quick and easy!

Gifts of Stock
Making a direct donation of appreciated stock to Neighbor to Neighbor allows you to save on capital gains tax.

Contribution from an IRA Account
If you are 70½ years or older, you may contribute directly from a qualified IRA account and reduce your taxable income.
